

It is with mixed emotions, but well wishes, that we announce the retirement of Lesley Buss, PMA's front desk Receptionist, effective September 1st.

Lesley has been a tremendous staff member, and has provided PMA with 19 years of devoted service. She has been the "first voice" you hear on the phone, the "first person" you see upon entering PMA, and her service has been invaluable.

Throughout the years, Lesley has demonstrated an outstanding attendance record, commitment to her duties, willingness to assist other areas in meeting deadlines, and has a GREAT sense of humor. She will be missed by our agents and clients alike, and especially those she developed close friendships with during her 19 years at PMA....her co-workers!

*Lesley's retirement is our loss, but a well-deserved respite for her.
WE ALL WISH LESLEY THE VERY BEST!!!*
